

# **SECONDHAND SAX MOUTHPIECES**

*We regret we are no longer stocking  
second-hand sax mouthpieces.*

*However...!*

*We do hold the UK's widest stock of over  
600 new mouthpieces, including  
Dave Guardala, Otto Link, Dukoff,  
Lawton, Jody Jazz, Claude Lakey  
and many others.*

***And what about your reeds!?***

*Don't forget that your reed can make  
almost as much difference as your  
mouthpiece. We stock over 20  
different types of sax reed,  
each in several strengths.*
